

Quality checking

Devon Link-Up members are trained to do quality checking work.

Our members have worked for the Care Quality Commission and the NHS.

If you have any questions about the work we do, if you would like to join us please ring or email.

Devon Link-Up

Voice, choice and opportunity

Registered charity 1052687

Advocacy

An advocate can support you to speak up about the things that are important in your life.

An advocate can help you to think about your choices, help you understand your rights and speak to people if you are worried or think people are not listening.

Training

Devon Link-Up can provide training to help improve awareness about people with learning disabilities and about good communication.

Speaking Up

Devon Link-Up supports people to have an independent voice through speaking up groups where they talk about things that are important to them.

Devon Link Up has drop in sessions where people can chat about things that are important to them.

The Speaking Up groups work with Healthwatch Devon to make sure that everyone can speak up about health and social care.

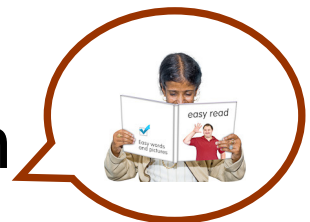

Socials

Devon Link-Up supports people to meet together and do activities they enjoy.

Safe Places

Devon Link-Up is checking the Safe Place scheme across Devon and helping to tell people about it.

Information

Devon Link-Up can help to make information easier to understand. Please ring us for more information.
